What is this all about?

One More home is a partnership of two fantastic women (and their dogs) whose vision is to sponsor one entire house build in New Orleans and one tenth of a house build in Colorado through Habitat for Humanity.

To help them reach their fundraising goal of \$93,500, we are hosting a tasty benefit dinner here at Fish with %100 of the money raised going to their cause.

You get a great dinner, some tasty wines, and a few tallies in the good karma column for coming on down for it.

Please let your server know how many tickets you need and what time you would like to come in.

Thank you,
Mike & the fresh staff at Fish
